Ho! Ho! Ho!

Some of you know that the Crystal Coast Republican Women have, in the past, sent Christmas cards to *Holiday Mail for Heroes*. Unfortunately, I could not find a Red Cross chapter that was participating in this project this year.

Jennifer Hudson contacted the four North Carolina State Veterans Homes to determine whether or not they would like to participate in our Christmas card program and to determine the number of veterans at each facility. Staff at the home in Salisbury said they would love for their residents to receive cards. Jennifer and I will provide the 99 cards for Salisbury. Jennifer volunteered to deliver the cards to Salisbury.

I'd like a group of us to get together and take cards to Fayetteville and Kinston. Kinston is so close, I think that visit will be possible and we would love to have lots of ladies join us. We will mail cards to the Black Mountain home.

We need your help. Please go through your leftover cards or purchase new ones (the dollars stores have inexpensive cards) to send to the veterans. Please put a short message in each card such as "Thank you for your service," "We appreciate you," "Your country is grateful to you," or something similar and then sign your first name. Do not put your last name or address anywhere on the envelope or the inside of the card.

Jennifer and I would love to have many of the cards turned in by the November general meeting on November 20th. If you cannot bring the cards to the meeting, we will pick them up or meet you somewhere.

If you have family who would like to participate, we would love to have them join in this worthwhile project.

Thanks so much for everything you do for the Club and for supporting all the projects we undertake. I want to especially thank Jennifer Hudson for her great idea and for the work she has already put into this project.

It's time to send in your money and ticket stubs and unsold tickets for the cash raffle. Some lucky person will win \$2,500! Second prize, \$500, is nothing to sneeze at! You can't win if you don't buy a ticket. I sent five tickets to each Club member; please try to buy at least one or two.

Thanks so much. You ladies are the best and the Club really appreciates your support.
